**SHAMAN & HEALER
Rev. ELKA BOREN**

HEALING CIRCLE: SAT. NOV. 12TH 10:30 AM -12:30 PM \$30

From Central America, Reverend Elka Boren, gifted since childhood with healing abilities, clairvoyance and a sensitivity that helps her see into the human body on many levels. Elka has been trained by Shamans to reach a high level of healing skills having integrated advanced methods of subtle geometric grids to accelerate healing processes and remove blocks from the subtle and physical bodies. Elka's powerful technique can move people through life's phases, removing blocks at their root, shifting clients to higher energy frequencies, and bringing forward greater clarity and understanding.

Elka works with 'Source' energy helping people return to their natural state of wholeness. As blocks are energetically removed from the subtle and physical bodies, there is a powerful acceleration of natural healing processes.
